5X1 9. [] LEGISLATION Called Dave Barrett, at the Department of Justice, to ask if OLC could get a copy of the full transcript of Attorney General Griffin Bell's testimony at the House Judiciary Subcommittee on Civil and Constitutional Rights hearing on H. R. 10400, the FBI charter legislation, held earlier in the day. He said he would check into it. Mr. Barrett also indicated that it is his impression that the bill will not be going anywhere this session.

5X1 10. [] LIAISON Received a call from Hal Ford, Senate Select Committee on Intelligence staff, who said he had reviewed last week 1974 and 1975 intelligence disseminations from Saigon Station and had asked that 40 - 50 of them be sent to the Committee office. I agreed to check into this with the DDO. Ford said he still wanted to see Tom Polgar, DDO, again as one of the last steps of the Committee's investigation of the Frank Snapp, former Agency employee, charges, but he would have to let me know suggested date and time.

5X1 12. [] LIAISON Called Ted Ralston, Senate Select Committee on Intelligence staff, regarding the 27 February letter from Chairman Birch Bayh (D., Ind.) to the Director requesting unsanitized copies of memoranda previously supplied to the House Select Committee on Intelligence, Chaired by Representative Otis G. Pike (D., N.Y.). Ralston said the issues raised in Chairman Bayh's letter need not be addressed specifically by the Director, that the Committee was only asking for unsanitized copies of the documents enclosed. I told Ralston many of these were over five years old and appeared to be very informal and I therefore suspected it would take some time to locate them all. Ralston indicated this was fine.

5X1 21. [] LIAISON Received a call from Michael Hershman, staff of the House International Relations Subcommittee on International Organizations. Hershman advised that Chairman Donald Fraser (D., Minn.) and Attorney General Griffin Bell had signed an agreement this afternoon on the procedures for the Subcommittee's access to classified information. (See Memo for Record.)

5X1 22. [] LIAISON Bill Hogan, staff of the House Armed Services Committee, called and requested a briefing by [] IC Staff, on how the budget categories for intelligence related activities within the Defense authorization bill will be changed due to the full assumption of the budget review by the House Permanent Select Committee on Intelligence. Mr. Hogan said that it is not very clear to him as to how the Armed Services Committee will relate to the House Permanent Select Committee on Intelligence on the budget matter. He said he talked to the staff of the House Permanent Select Committee on Intelligence and they said that it was the decision of the Department of Defense to transfer most of the responsibility on IRA matters to the House Permanent Select Committee on Intelligence and that the House Permanent Select Committee had no involvement as to how this was worked out by Defense. He asked that the briefing by [] follow the same lines as [] had given him on the budget last year. [] was advised.

5X1 23. [] LIAISON Called Beverly Lumpkin, staff of the House International Relations Subcommittee on International Organizations, and told her that it would be necessary for the Subcommittee to submit an integrated narrative summary of the material they wish to have considered for public release. I told her that the document by document summary which the Subcommittee had left with us on 27 February would be helpful in the approval process but that the integrated summary was still necessary. I also told her that the Subcommittee's copies of the document by document summaries constituted classified material and should be stamped Secret.

5X1 24. [] CONSTITUENT Received a call from Joanna Greer, in the office of Senator Jennings Randolph (D., W. Va.), who had a request from a constituent for the number of black people employed by the Agency. After checking with OEEO, I called Ms. Greer back and told her that I could not give her a specific number but that of all Agency employees, 7.5 percent were black. I informed her that this figure was as of 31 December 1977. She felt that this information would be satisfactory to the constituent.
